THE SCOUT IS RESPONSIBLE FOR OBTAINING BLUE CARD FROM MR. WEAVER PRIOR TO FIRST MEETING.

All merit badges will be taught at St. Patrick cafeteria unless otherwise stated in the newsletter. Occasionally, a counselor might decide to go outside cafeteria in order to properly teach some of the merit badge requirements. Watch the newsletter for additional information on each class.

Scout must complete all class requirements plus any pre-requisites according to the counselor to properly earn the merit badge.

All pre-reqs will be listed in the newsletter prior to each month.

Pre-reqs should be done PRIOR to the first meeting.

The counselor assigned to each class will be the one to sign off on the requirements to earn that badge.

SOME badges might require to meet more than others. Some might be 2-3 meeting times and others might be more. Just depends on the amount of requirements.

SCOUTING EVENTS AND OPPORTUNITIES

2020 Popcorn Sales

Popcorn sales will be a bit different than previous years. We will not be doing regular show and sells. There will be a virtual show and sell and take home orders. More information coming soon from Mr. Buckingham.

New Troop Swag (t-shirts and hoodies) - From Mrs. Weaver:

I'm trying to get a feel to see if it is time for a re-order of Troop 380 Class B t-shirts and hoodies. I know the boys outgrow them fast and sometimes they get worn and torn. Plus, we have some new scouts that are probably in need of some things. Please click link below and tell me what you would be interested in. There are minimum orders to things and I just want to see if we could meet those minimums.

Bike for Life Service Project- From Austin and Mr. Weaver

Here is the link to the sign up genius for the Bike for Life service project that Austin discussed last Sunday. We are limited to 10 scouts/adults per stop due to Covid-19 restrictions. We have helped man the stops where the scouts hand out water and food/snacks to the riders at the two stop locations. There have been some changes this year as far as where the riders will start so Austin modified the stations and time slots accordingly. We will have 3 groups or slots that need to be manned during the event - 2 slots at the old Homemade Ice Cream and Pie Kitchen located in Prospect and one in Norton Commons. The addresses are on the sign up genius. <https://www.signupgenius.com/go/8050F4BAEAA2CA5F94-bike>

We will need the first stop to pick the gear needed for the station at Mr. Malone's house and then have at least one scout family stay until the second group for that station arrives to man the return riders from the longer route that takes them to Norton Commons.

The two bike ride routes we will service are a 23 and 53 mile route. The 23 mile route will turn around at the first stop while the other group will continue on to Norton Commons and return back through the Homemade Ice Cream and Pie Kitchen stop. The times for each slot are on the sign up genius. We will need someone with a truck or van at each of the stops to deliver or return the equipment to Mr. Malone's house.

Scouts will need to wear masks when they are handing out refreshments and anytime they are closer than 6ft. Lets help out this wonderful cause/fundraiser with our service as scouts.

If you have any questions, please ask Austin at aweaver2003@gmail.com.

Ronald McDonald House Service Project - From Mr. Weidenborner

Scouts, I have scheduled a service project for those scouts that are working on their Citizenship in the Community Merit badge and who haven't completed their community volunteer project yet. We have been asked by the Ronald McDonald House of Louisville to assist them with a few projects that they need help with. I am also opening this up to any other scout that is in need of service hours or would simply like to help a worthwhile organization. Any adults that are willing to volunteer would also be extremely helpful as we will need to leadership during this event. Thanks in advance!
