### ABOUT HARRY S. FRAZIER, JR. SCOUT RESERVATION

Camp Crooked Creek is on the 1000-acre Harry S. Frazier, Jr. Scout Reservation and is located in Clermont, Kentucky.

The property consists of rolling hills covered with a hardwood forest of oak, hickory and beech. It is not unusual to see deer grazing outside your tent. Turkey can be seen just a little deeper in the woods. Geese and ducks are found on the 70-acre John Barr Lake stocked with bass, bream and catfish. There always seems to be enough breeze on the lake for sailing. Other aquatic activities include motor boating, canoeing, kayaking, and swimming.

Shooting sports are also a camp highlight. Programs featuring shotguns, .22 rifles, and archery are all available at Camp Crooked Creek.

The Dan Boone (First-Year Camper) Program, located at Ribar's Dan Boone Hill overlooking the lake, gives new Scouts a big start toward achieving their First Class Rank in just one year. Learning to be a good patrol member is an important part of this program.

Scouts will learn proper maintenance of safety equipment and vehicles, A.T.V. safety procedures, respect for the environment, and basic operation and handling of the A.T.V.

## KEYS TO SUCCESS AT CAMP CROOKED CREEK

1. Have an adult leader from the Troop assigned to collect the fees and to make payments, and submit Roster/MB picks in Tentaroo.
2. Schedule a camp promotion presentation to share details about camp with the Scouts and their families. See pg 12 for details.
3. Have someone (preferably the SM & SPL) from the Troop attend the 12-Day-Out leaders' meeting. *A call-in option will also be available.*
4. Sessions for most merit badges are available in both the morning and the afternoon to help provide more opportunities for Scouts. Try assigning groups of Scouts to different merit badge sessions. Example: If 12 Scouts want to take the First Aid merit badge, spread them across the 4 scheduled sessions. Merit badges sessions are open for selection on a first come, first served basis. **Finalized merit badge selections should be registered online by your unit no later than Friday, May 27. Adults will also need to be added to the Event Registration.**

## CAMPERSHIPS

Identify Scouts who may need financial assistance for their summer camp experience and help them try to find some way to earn money. Excellent sources of funds for Scouts are the annual Popcorn and Scout Card sales. Unit fundraisers can also be used to earn funds for summer camp use. A limited number of camperships are available for Lincoln Heritage Council Scouts only. Complete a campership application (available at [www.lhcbasa.org](http://www.lhcbasa.org) or at the Scout Office) for the scout who needs assistance and return them to the Scout Service Center. Camperships are limited to those Scouts whose families' financial situation qualifies for assistance, and those applications which are filled out completely. Campership applications are due with early registration deposit, and those who apply early are more likely to receive assistance as camperships are "first-come, first served." The campership application does not take the place of the early registration payment, but should accompany the payment.\* Payment must be made to qualify for the early registration discount.

\*Note: Camperships will not be credited toward total paid fees until the United Way survey is returned. All surveys are to be submitted no later than Monday, May 2 to receive credit for camp. If a campership is expected, do not pay the balance remaining. Contact the Scout Office for questions. 502-361-2624.

## FEES & MB REGISTRATIONS

A registration deposit of \$75 per Scout, must be paid on or before **Friday, March 4** to register for merit badges when the site opens on Friday, March 4. The adult fee for 2022 is \$100 per adult. Payments can also be made on Tentaroo, by credit card, for each Scout and adult. Please contact the Scout Office to adjust these numbers in Tentaroo. Remainder of fees are due by **Monday, May 2, all units not fully paid by May 2 will lose the early discount and will pay the regular price. Provisional Camper Fee** must be paid when reservation is made. Make Checks payable to: Lincoln Heritage Council, BSA, 12001 Sycamore Station Place, Louisville, KY 40299. New Scouts and Webelos Crossovers can receive the Early discount if they register no later than Monday, May 2. **The online merit badge registration system will be available Friday, March 4 to those Troops who have made deposits for each Scout. Assistant leader, Scouts, and Troop Guide will go to the campsite and unload equipment and remove **all vehicles** from campsite.

Let the health officer know of any special needs of adults and Scouts. Troop guides will take the troop on a short tour of camp, to include dining hall and waterfront.

## MEAL SCHEDULE

Groups	Breakfast	Lunch	Supper
A (Sites 1-5)	6:45AM	11:50PM	5:45PM
B (Sites 6-12)	7:35AM	12:35PM	6:30PM
Some troops may be asked to change meal times depending on the number of campers in each session.			

## FOOD SERVICE

Meals will be served in the beautiful Amelia Brown Frazier Dining Hall. Scouts will be served cafeteria style and seated by troops. Sunday supper is the first meal. **Special dietary needs can be conveyed to the Dining Room Manager by calling camp direct after June 1 at 502-543-8726.** A Salad Bar is provided for everyone's use at lunch and supper.

## VISITORS

All visitors must sign in and out of camp at the camp office and obtain a visitor's wristband. All visitors must wear a visitor wristband at all times while on site. We ask that parents do not take their Scout off the camp property without signing them out. If a parent chooses to take their Scout off of Camp property, they must advise at least one of their available adult leaders prior to signing their Scout out at the Administration building. In the event that you invite visitors to eat with your Troop, the meal is \$10, tickets are purchased at the Trading Post. You must show your wristband in the meal line.

## SENDING MAIL TO YOUR SCOUT

Parents are encouraged to send a letter or a package to their Scout at Camp Crooked Creek. They should allow a minimum of three days delivery time. When possible, items arriving after the Scout's departure will be returned to sender. To ensure delivery, items should have the campsite and troop number listed and addressed in the following manner:

(Scout's name)  
(Campsite) (Troop number) (Week Number)  
Camp Crooked Creek  
950 Terry Drive  
Shepherdsville, Kentucky 40165

## TROOP LEADERSHIP

All units are required to have at least two adult leaders on camp at all times. Those units that are unable to meet this requirement should consult other troops in your council or district about coming to camp together. All adults must be registered members of the BSA and must meet the qualifications for the leadership positions in which they serve. The unit leader must be at least 21 years of age. Any additional leaders must be at least 18 years of age. **All Adults must be registered, even if they are a parent of a Scout.** If you have a girl Troop, you must have at least one female adult leader.

**All adults at camp must have Youth Protection Training. Visit [My.Scouting.org](http://My.Scouting.org) for an online course.**

Leaders may rotate when necessary; however, in the best interest of the Scouts, we recommend having consistent leadership throughout your unit's stay at camp. Additional leaders not staying the entire week (and not included in the official adult count) should plan to provide their own tent and must pay a Dining Hall fee of \$8 per meal. Leaders should plan to share tents since the camp will only provide one tent for every two leaders. Gender separated; mixed gender tents will be for spouses only.

**Adult rosters are due at the time of final payment. Registration in Tentaroo is mandatory and due as soon as possible, but no later than Monday, May 2.** A break-down of male and female leaders is required. If this online registration does not match the actual number that arrive at camp, we cannot guarantee enough tents.

## LOST AND FOUND

All items turned into the Camp Lost & Found are available at the Camps' Trading Post. After camp, all Lost & Found will be sent to the LHC Louisville office until August 1, then taken to Goodwill. Please call 502-361-2624 to inquire or email at [CampCrookedCreek@gmail.com](mailto:CampCrookedCreek@gmail.com).

Mail is available for pickup daily at the Administration Building.

### **TRADING POST**

The Trading Post is located across the parking lot from the Administration Building. Scout supplies, snacks, camp t-shirts and other camp souvenirs will be available. Next to the Trading Post is the Graham Pavilion, which is used for various training and classes in addition to a nice resting place for Scouts and leaders.

### **SCOUTMASTERS' LOUNGE**

The Scoutmasters' Lounge is located in the Administration building and is a place for leaders to relax, visit with other leaders or just enjoy a cup of coffee. Wi-Fi and computers are also available for use by leaders. 24 hour access with key code. Some meetings and training sessions are conducted here as well.

### **AQUATIC PROCEDURES AND SWIM CLASSIFICATION**

Conducting a Unit Swim Classification before camp is encouraged. It must be conducted by a lifeguard (American Red Cross, YMCA, or BSA Lifeguard) or an adult trained in Safe Swim Defense with a strong understanding of what a good swimmer looks like and be completed within 6 months of arriving at camp. The unit swim classification form can be found on the camp webpage. These should be taken to the 12 Day Out meeting, or brought to camp at Check-in. The Aquatics Director reserves the right to retest anyone, youth or adult, if deemed necessary. Closed toe shoes must be worn at ALL TIMES at the Aquatics area. If your Scout has signed up for an aquatics merit badge, we ask that they bring a pair of shoes that can get wet or bring closed toe water shoes. Do not let Scouts wear their wet boating shoes around camp. This causes blistering! The Aquatics Director is in charge at all times in the Aquatics Area. Please direct all questions regarding this area to the Aquatics Director who reserves the right to not allow participants to swim based upon ability, lack of proper material, or conduct. These procedures apply to both the pool and Lake aquatics activities.

### **CHECK-OUT POLICY**

All units must check out at the Administration building when leaving camp. We cannot guarantee that you will receive patches, Scoutmaster items, or return of Health forms, if your unit does not check-out or leave early. Scouts leaving camp early with a parent or guardian must fill out an Early Release Form at the Administration building before leaving camp.

### **DAILY SCHEDULE**

Scouts should plan to carry the items they will need all morning and all afternoon since there is little time to go back and forth to their troop sites.

**Note: Merit badge sessions meet Monday - Friday.**

## ADVANCEMENT OPPORTUNITIES

Advancement is one of the prime reasons a youth stays in Scouting. It is a measure of success in the program. The following should help you and your Scouts develop appropriate merit-badge schedules.

1. Before camp, know the advancement status of each Scout.
2. Set a goal with each Scout - challenge them.
3. Let more advanced Scouts help younger Scouts.
4. Keep accurate day-to-day advancement records while at camp.
5. Watch loose ends - don't push, but do encourage them.

Merit Badge Schedules will be available on Tentaroo on Friday, March 4. Sessions will be assigned on a first come, first served basis. To ensure easy registration, have your roster loaded in the Roster tab ahead of time. Adults will also need to be added to the roster, and to the Events Registration tab to be included in camp numbers, and the t-shirt orders. The Tentaroo system produces the merit badge blue cards at the end of session, by printable cards, or a Requirements Completed report. Merit badge "tracking" sheets will be updated daily so Scout leaders may review Scouts' progress throughout the week. Any discrepancies should be discussed with the Program Director at camp.

## PERSONAL DEVELOPMENT

The Personal Development department is based in the Scoutcraft and offers a number of Eagle required merit badges and is a very popular area. Offerings include Citizenship in the Nation, Citizenship in the World, and Communications. All of the badges require work in advance of camp or after camp to complete.

Visit [www.lhcsa.org](http://www.lhcsa.org) for camp forms and additional information.

## SCOUTCRAFT

This is a quick and easy introduction to what it takes to explore the underwater world, and will be offered on Tuesday and Thursday evenings at the pool. One session per Scout.

## DAN BOONE HILL- FIRST YEAR CAMPER PROGRAM

We take pride in the fact that we have one of the nation's foremost first-year camper programs. You and your Scouts will find that our facilities are top of the line and the staff on Dan Boone Hill are some of the most informed and knowledgeable that you will find anywhere. The Dan Boone Program is divided into two separate sessions. This allows your Scouts time to pursue additional opportunities at camp.

- 1) Morning session: 8:30AM – 11:20AM (Monday - Friday)
- 2) Afternoon session: 1:30PM – 4:20PM (Monday - Friday)

Scouts should plan to attend one session or the other, not both.

Participants are grouped based on rank and skill level. All requirements for First Class, Second Class and Tenderfoot are unable to be completed in one week at camp. The Dan Boone Staff will do everything in their power to help each Scout become proficient in as many areas as possible. How much each Scout completes is up to them and their patrol. All Scouts in the Dan Boone program are welcome to participate in the 5 mile hike and the flag retirement ceremony.

This is a first year camper program. We encourage Scouts that are 13 years and older to take Merit Badge Sessions. If an older first year camper wants to take the Dan Boone program, please talk to the Program Director.

Please note, Dan Boone Hill counselors will not sign off on rank requirements in a Scout's handbook. This is the responsibility of the Scoutmaster. We will provide a list of requirements that were reviewed with your Scout, along with daily attendance records. These tools can be used during the SM conference required for rank advancement, where the SM should review and sign off requirements that were met.

Your Program Director works to make sure that each area is successful in providing a quality program and will also lead exciting programs when the entire camp is together.

Your Camp Director is there to make sure that every operation of camp is as successful as possible, including managing the staff, meeting food needs, ensuring safety in camp, and working with the adult leaders toward a quality experience.

# THANK YOU NRA!

The NRA Foundation provides grants to support the Shooting Sports program of this camp. Without this support, Scouts would have to pay extra fees for rifle shooting, shotgun shooting, and archery.

We appreciate the support of the Friends of the NRA.
